- spent an hour or so with one long-time town resident and one to-be resident figuring the map/lot # of the property the to-be resident had purchased from the long-time resident.-- after much discussion it turns out that no map and lot exists on our tax maps but yes on the tax roles—working on that one
- Brooke Bowden who is our new Deputy Treasurer will need to be added to all of our town Bank accounts as soon as possible
- updated a few items in the assessing module
- still need to get our certified ratio confirmed, I think it is 96%
- in the process of dealing with USDA and a property they let be tax aquired
