

11/4/25

- sat with a lawyer & helped him find abutting properties so he could arrange a survey
- voting night, lots of folks
- attempted to help a prospective property owner find his lines to put a dog fence
- Kelly sold us raffle tickets for her granddaughter's school
- must get cemetery contract out to bid

11/11/25

- got most of the three yr. cemetery bid and contract prepared for Ella to had out to the multitudes who will apply for it
- had a milk and brownie delivery, quite delightful
- discussed the 2nd grading by Mark Boober and Earth Works
- Corey has agreed to handle the large potholes on Town Rd.
- the cash is rolling in from tax bills; we can barely swim through all the \$\$ around here
- first snow last night not much but enough for state salt trucks

11/ 18&25/25

- we need a new phone and internet company, Consolidated lacking in service and overpriced
- helped a resident with their property abutters as much as we could
- GA is very stressful
- worked extensively with Claude learning about assessing program and a lot still to learn

12/ 2,9,16,23&30/25

- abatements weekly
- many tax bill returned due to improper addresses or other reasons
- thinking about getting a True and Perfect List out to Residents = much discussion
-
