

Minutes 1/26

--spoke to very nice lady at Penobscot County Commissioner's office about a complaint about Mill St. plowing job, icy and dangerous,, reasoning being,,maybe high trees keep road in shade and shape of road two ruts in each lane from heavy trucking, we are mixing hotter loads of salt / sand mix for Rt. 155 = Mill St. and plowing into Piscataquis County to Bradford Town line

-- abatements have slowed

--preparations being made for the newby and the audit in February

--spent a while with a construction co. owner today who wants the Pluth subdivision back in the originally sized lots

--Ella is anxious about me having stuff prepared for the audit, still working on it

--I was told I could not put a fuel clause in the plowing contract going out for bids
